

approval of the Administration, (1) interest-bearing securities, or (2) an irrevocable and unconditional commitment to finance the construction or acquisition of a new vessel in whole or in part by an obligor approved by the Administration in an amount equal to the amount by which the “net proceeds” exceed the cash or securities deposited in the fund.

(e) *Unauthorized deposits.* A deposit which is not provided for by section 511 of the Act shall, without unreasonable delay, be withdrawn from the fund and tax liability will be determined as though such deposit had not been made. (See §§ 287.10 and 287.24.)

**§ 287.14 Deposit of earnings and receipts.**

(a) *Earnings.* A citizen may deposit all or any part of earnings derived from the operation, within the scope of § 287.3, of a vessel or vessels owned either by himself or any other person, if such earnings are intended for construction or acquisition of new vessels. Such earnings may include payments received by an owner, as compensation for use of his vessel, from other persons by whom it is so operated. Earnings from other sources may not be deposited. The earnings from operation of vessels which are eligible for deposit are the net earnings determined without regard to any deduction for depreciation, obsolescence, or amortization with respect to such vessels.

(b) *Receipts.* Receipts from deposited funds, in the form of interest or otherwise, may be deposited.

**§ 287.15 Time for making deposits.**

(a) *Proceeds of sale or indemnification.* Deposits of amounts representing proceeds of the sale or indemnification for loss of a vessel or share therein must be made within 60 days after receipt by the taxpayer.

(b) *Earnings and receipts.* Earnings and receipts for the taxable year may be deposited at any time. (See § 287.14.)

**§ 287.16 Tax liability as to earnings deposited.**

Deposit in the construction reserve fund of earnings from the operation of a vessel or vessels, or receipts, in the form of interest or otherwise, with re-

spect to amounts previously deposited does not exempt the taxpayer from tax liability with respect thereto nor postpone the time such earnings or receipts are includible in gross income. Earnings and receipts deposited in a construction reserve fund established in accordance with the provisions of section 511 of the Act and the regulations in this part will be deemed to have been accumulated for the reasonable needs of the business within the meaning of part 1 (section 531 and following), subchapter G, chapter 1 of the Internal Revenue Code of 1954, so long as the requirements of section 511 of the Act and the regulations in this part are satisfied relative to the use of the fund in the construction, reconstruction, reconditioning, or acquisition of new vessels, or for the liquidation of purchase-money indebtedness on such vessels. For incurrence of tax liability due to noncompliance with the requirements of section 511 of the Act and the regulations in this part with respect to deposits in the construction reserve fund, see the provisions of § 287.23.

**§ 287.17 Basis of new vessel.**

The basis for determining gain or loss and for depreciation for the purpose of the Federal income tax with respect to a new vessel constructed, reconstructed, reconditioned, or acquired by the taxpayer, or with respect to which purchase-money indebtedness is liquidated as provided in section 511(g) of the Act, with funds deposited in the construction reserve fund, is reduced by the amount of the unrecognized gain represented in the funds allocated under the provisions of the regulations in this part to the cost of such vessel. (See § 287.18.)

**§ 287.18 Allocation of gain for tax purposes.**

(a) *General rules of allocation.* As provided in § 287.17, if amounts on deposit in a construction reserve fund are expended, obligated, or withdrawn for construction, reconstruction, reconditioning, or acquisition of new vessels, or for the liquidation of purchase-money indebtedness of such vessels, the portion thereof which represents gain shall be applied in reduction of the basis of such new vessels. The rules
